20:15 - 22:15	HEADLINERS TIMELINE 9.5M followers on Facebook XXXXXXXXXX are an American rock band formed in Nevada, in 2001. The Killers are one of the biggest rock bands of the 21st century, and the most successful rock band to ever emerge from the state of Nevada, having sold an estimated 52 million records worldwide. They have also achieved worldwide success as a live band, performing in over 50 countries and on six continents, headlining venues such as Madison Square Garden and Wembley Stadium. XXXXXXXXXX fans are more accustomed to outdoor concerts and festivals. They understand the dynamics of large crowd events and the movements and interactions of the crowd. Front of stage teams should be looking for persons in distress or signs of intoxication. The potential for customer use pyrotechnics would be greater with this band. It is hoped with this years security features that this will be removed. XXXXXXXXXX provide high spirited indie rock. They have established themselves as having popular songs that allow the crowd to dance and sing to. On higher energy songs, we will see some jumping and possible sway at front of stage.	3	3	2	3	2	1	1	2	2
